JAHNVI SRIVASTAVA

A third-year Engineering student at Amity School of Engineering and Technology (ASET), Amity University Lucknow Campus India. Diligent in preparing for examinations, competitions, and assignments. Reliable and responsible with good communication and relationship-building abilities. I intend to work that helps me in exploring myself, impart knowledge about the latest technologies, and realize my potential in the world of innovation and information by virtue of my sincerity and dedication. I look forward to experiencing the field outside the classroom and building foundational knowledge and skills.
